As a well-respected member of the business community, we are asking for your assistance. We are in the process of planning our Eighth Annual Golf Outing to raise much-needed funds for our non-profit *Athletes Helping Athletes, Inc.* organization.

We appreciate the fact that you receive many requests throughout the year asking for donations. For the past seven years we are proud to report that all proceeds have been donated by *AHA, Inc.* to the many Special Needs Programs in Bucks County.
