Just wanted to say thank you for a great time Friday night. Patrick had a great time! He talked about it all day yesterday! At first when we got there he was scared and started crying and wanted to go home, and to be honest I felt bad for him and almost did leave. Then one of the guys helping out noticed Pat sitting with me crying. He came over and asked Pat to come over with him and have a catch with the ball. Pat was fine after that. It was so nice and something I will never forget. Thanks for everything you guys do!
